

Meeting minutes for 05/24/2018

President Marcus, KF4YHP, greeted folks.

Mentioned Geno is having a procedure early Friday morning, keep him in your thoughts and prayers.

Treasurer Report

- Treasurer Jim 12,664 in bank, all bills paid.

Secretary / Webmaster Report

- Robert reminded folks of the SLACK page, w4shl.slack.com.

Vice Presidents Report

- Remember two former presidents of BARC, Ed Pitchford, and Charles Spanos.
- Asked about upcoming programs. What about a project that we do over one or more meetings? Specifically, the BitX kits. <http://www.hfsignals.com>
- Our next meeting will focus on field day. Operators should bring their laptops, so the logging software, N3FJP, can be installed.

Field Day Report

Team has been to field day site to review the layout, determine where to place stations. Looks like two voice and one digital right now, still hoping to do a CW station.

N3JF install party next meeting!

Presentation.

Bill KW4J did a presentation on FT8 DXpedition mode.
