

## **General Meeting minutes for 09/12/2019**

- Marcus KF4YHP, greeted everyone.
- Marcus gave the report of the individual who is harassing the local repeaters. He has mostly been on the 62 repeater, but has jumped on others including our Shelby club's repeater. From his pattern, he appears to work in Hoover but lives in the Trussville area, and is mostly on in the after-work hours. If you have more info, please email [Cotton.Isbell@gmail.com](mailto:Cotton.Isbell@gmail.com) with your report.
- Terry KN4DLV asked for a vote SCARC helping the Shelby ARES group. ARES would like to use our facility for some meetings, let us participate in SETs (Simulated Emergency Tests), perhaps do some presentations. Before a vote or statement Marcus requested a statement of memorandum to have something to put in our files. Terry will provide, vote shelved for now.
- Terry brought up the ARRL doesn't show SCARC as an affiliated club. He will look into it to see what needs to be done.
- Mike Lamb brought up the topic of Dorian and the National Hurricane Center. <https://www.floridadisaster.org> is one site that has useful weather info.
